ABOUT US

IPSD is a professional and proudly South African based company, specializing in risk management and complete turnkey solutions.

Founded in 2023 the company specializes in turnkey solutions for clients looking to eliminate multiple service providers.

Our commitment to accomplish and exceed targets on all of our projects has led us to become a market leader in our field.

OUR SERVICES

Our services included, yet are not limited to:

- Risk assessment of projects to ensure a cost effective and sustainable outcome is achieved**
- Sourcing of vetted and qualified trade professionals**
- Ensuring that projections are accurate and compliance is achieved through hands-on management of all Sub-contractors.**
- Maintaining schedules to ensure on time delivery.**
- Administering payment structures to ensure compliance**
- Single paper-trail between IPSD and clients**

MISSION AND VISION

MISSION - To provide leading turnkey solutions for all projects. Reducing risk, while uplifting the community and creating a long term sustainable project by ensuring that a cost effective model is maintained, as well as managing the environmental impact.

VISION - To become a market pioneer relating to all aspects of project management and risk assessment, while uplifting the communities linked to the area of operation, and ensuring the deployment of a skilled workforce to achieve excellence through people.
